

Proposal for a New Section

AAR/WR – 2009

The process for adding a new section to AAR/WR is to submit a proposal to the Vice President/Program Chair of the AAR/WR Board. After reviewing the proposal, and in consultation with a committee of the AAR/WR Board, the Vice President/Program Chair will decide to either endorse or not endorse organizing an open call for papers and then offer a “special session” for the next annual meeting. After two years of “special session” status the Vice President/Program Chair of the AAR/WR Board will reconsider the proposal for adding a permanent new section and bring it to the full board for a determination. The AAR/WR Board will notify the applicant in writing of its determination.

Please fill out the following form as completely as possible and submit to the Vice President/Program Chair.
