A Brief History of the World . Scope: This course presents some of the highlights of the world historical approach to the past, suggesting major changes in the framework of the human experience, from the rise of agriculture to the present day. The lectures cover the emergence

A Brief History of the World - Faculty Site Listing

The success of A Brief History indicates that there is widespread interest in the big questions like: Where did we come from? And why is the universe the way it is? I have taken the opportunity to update the book and include new theoretical and observational results obtained since the book was first published (on April Fools' Day, 1988).
