This handbook shows how you can use well-established techniques for writing in plain English to create clearer and more informative disclosure documents.

A Plain English Handbook - SEC.gov

Teaching is more than just delivering content; it's about making complex ideas understandable and guiding learners to higher-order thinking. A successful approach to teaching complex topics involves three phases: systematically unpacking the material, turning it into engaging and effective lessons, and then providing extra assistance to students who are struggling.

In psychology a person who has a martyr complex, sometimes associated with the term victim complex, desires the feeling of being a martyr for their own sake, seeking out suffering or persecution because it either feeds a psychological need, or a desire to avoid responsibility.. In some cases, this results from the belief that the martyr has been singled out for persecution because of ...
