Introduction to Political Science Political science is an academic discipline that deals with the study of government and political processes, institutions, and behaviors.

Introduction to Political Science - Saylor Academy

Political science as a separate field is a rather late arrival in terms of social sciences. However, the term "political science" was not always distinguished from political philosophy, and the modern discipline has a clear set of antecedents including also moral philosophy, political economy, political theology, history, and other fields concerned with normative determinations of what ought to be and with deducing the characteristics and functions of the ideal state.
