A Parent's Guide to Special Education - FCSN

In this guide, you'll see how The City University of New York (CUNY) can help you prepare your children for the future. Middle-school parents might consider CUNY's 17 early college high schools, where students can earn an associate degree; nine offer STEM programs. For high school students, we offer full-year and summer STEM programs.

A Parent's Guide to - The New York Urban League

Parents are also concerned that people their kids don't know can reach out to them directly. Kids can learn to manage these risks, which is why we wrote this guide. 4.

Supervisors should have extensive experience working with children with autism.

Applied Behavior Analysis - autismspeaks.org

Dear Parent. A child care program can have a tremendous influence on your child. A good program may improve language skills, social skills, and build self-esteem. While no child care operation can replace a parent's love and attention, well-chosen child care can complement your efforts and enhance your child's development.
