A book designer is responsible for the unity, continuity and pacing of a picture book. Sometimes authors and illustrators are also book designers; sometimes book designers, art directors and illustrators work together. Often book designers make decisions about the book's appearance and overall effectiveness on their own.

"A picture book of Frederick Douglass" would of not been one of my first choices in books. I piked up this book because of the illustrations and as I read, it was easy to understand. This book was simply about Frederick Douglass' life and some of the things he had to go through.

A Picture Book of Frederick Douglass by David A. Adler

Children's Picture Books (Bookshelf) A picture book is a popular form of illustrated literatureâ€”more precisely, a book with comparatively few words and at least one picture on each of its openingsâ€”popularized in the 20th century Western world. The illustrations in picture books use a range of media from oil painting to collage to quilting,...
