Americans, even the working class. These access issues are like what Peggy McIntosh (1988) described regarding race in her work about White privilege. McIntosh said White folks, because of the privilege our culture affords us, carry an "invisible knapsack," full of things always at the ready to smooth our path.

"A Place Like This" (dull title) is a good start of what should have been a longer road novel in free verse. "Kissing Annabel" (crappy title) is the combination of these two stories. The Australian setting provides extra spice to this USA reader, though it is middle class white Australia, not much different from a California suburb. The ...
