The Third Way is a position akin to centrism that tries to reconcile right-wing and left-wing politics by advocating a varying synthesis of some centre-right economic and some centre-left social policies. The Third Way was created as a re-evaluation of political policies within various centre-left progressive movements in response to doubt regarding the economic viability of the state and the ...

Trickle-down economics, also called trickle-down theory, refers to the economic proposition that taxes on businesses and the wealthy in society should be reduced as a means to stimulate business investment in the short term and benefit society at large in the long term. In recent history, the term has been used by critics of supply-side economic policies, such as "Reaganomics."
