

### **a religion not a pdf**

Religion may be defined as a cultural system of designated behaviors and practices, worldviews, texts, sanctified places, prophecies, ethics, or organizations, that relates humanity to supernatural, transcendental, or spiritual elements. However, there is no scholarly consensus over what precisely constitutes a religion. Different religions may or may not contain various elements ranging from ...

### **Religion - Wikipedia**

A state religion (also called an established religion or official religion) is a religious body or creed officially endorsed by the state. A state with an official religion, while not secular, is not necessarily a theocracy, a country whose rulers have both secular and spiritual authority. State religions are official or government-sanctioned establishments of a religion, but the state does not ...

2 many basic similarities in the religious systemsâ€”everywhere there is the concept of God (called by different names); there is also the concept of divinities and/or spirits as well as beliefs in the

### **What is African Traditional Religion?**

Religion, or at least religious inquiry, is something that nearly all humans share in common. In all corners of the world and in all eras of history, people have wondered about the meaning of life, how to make the best of it, what happens afterwards, and if there is anyone or anything "out there."
