Homeless with Pets. Our Mission is simple: We work with people who are living homeless and with their animal companions. Offering compassion to both ends of the leash we promote the well-being of both.

Homeless with Pets - Homeless With Pets

A pet or companion animal is an animal kept primarily for a person's company, protection, or entertainment rather than as a working animal, livestock, or laboratory animal. Popular pets are often noted for their attractive appearances, intelligence, and relatable personalities. Two of the most popular pets are dogs and cats. A cat lover is known as an ailurophile and a dog lover is known as a ...

Exotic pets are often misjudged and misunderstood, and misinformation is abundant. Most exotic pets are illegal in California, and Hawaii has the strictest pet regulations because island ecosystems are the most prone to invasive species (ironically, one of their most prominent invasive species, the domesticated cat, is one of the few pets you can own there).
