4 . Access to Care definition •timely use of personal health services to achieve the best health outcome • -Timeliness of services -Quality of Care

MODULE 8: ACCESS TO HEALTH SERVICES: MULTIPLE PERSPECTIVES

Although access is frequently cast as an issue of health insurance coverage, availability of quality services for the uninsured and those covered by Medicaid is also an important issue. Frequently providers will not serve Medicaid patients at all because the reimbursement for services is too low; other institutions offer only low-quality services.
