This is a list of fiction and documentary films about or relating to the hippie subculture or counterculture of the 1960s

**List of films related to the hippie subculture - Wikipedia**

A phonograph record (also known as a gramophone record, especially in British English, or record) is an analog sound storage medium in the form of a flat disc with an inscribed, modulated spiral groove. The groove usually starts near the periphery and ends near the center of the disc. At first, the discs were commonly made from shellac; starting in the 1950s polyvinyl chloride became common.
