

against architecture pdf

Against Architecture offers the first serious interpretation of this challenging thinker, spelling out the profoundly original and radical nature of Bataille's work. Over the past 30 years the writings of Georges Bataille have had a profound influence on French intellectual thought, informing the work of Foucault, Derrida, and Barthes, among others.

Against Architecture: The Writings Of Georges Bataille PDF

against the celebrities of the current architectural world, the "archistars." According to Franco La Cecla, architecture has lost its way and its true function, as the archistars use the cityscape to build their brand, putting their stamp on the built environment with no regard for the public good.
