Teacher Background Information The study of the human body can be a very enlightening and, thereby, a very rewarding experience for a young child.

1The Human Body - SEDL

The Spirit, Soul and Body want to share with you one of the most profound lessons the Lord has ever given me. I use the term "profound" because this lesson helps me almost every day to make a choice to walk in the Spirit rather than the flesh. Let me explain:

The Spirit, Soul and Body - Daniel Fast

In the case of living things: matter is the body; form is the soul. For, if life was the body (if a body had life in virtue of itself every body would be alive).Since only some bodies are alive, the principle of life cannot be a body. Soul is the principle of life; form of a living body as living.

the front, the change in body-weight distribution induces a change in the position of center of gravity. In this case, the center point will no longer be above and behind the navel, it will have moved forward on the body. The point in the body that was once the center of gravity will now be behind the new center of gravity (Figure 4).
