

### **american independent cinema a pdf**

An independent film, independent movie, indie film or indie movie is a feature film or short film that is produced outside the major film studio system, in addition to being produced and distributed by independent entertainment companies. Independent films are sometimes distinguishable by their content and style and the way in which the filmmakers' personal artistic vision is realized.

The cinema of the United States, often metonymously referred to as Hollywood, has had a profound effect on the film industry in general since the early 20th century. The dominant style of American cinema is classical Hollywood cinema, which developed from 1917 to 1960 and characterizes most films made there to this day. While Frenchmen Auguste and Louis Lumi re are generally credited with the ...
