other NBR research associates or institutions that support NBR. The National Bureau of Asian Research is a nonprofit, nonpartisan research institution dedicated to informing and strengthening policy.

Assessing Common Ground and Strategic Fault Lines

In this video, AIR researcher Jameela Conway-Turner discusses how social and emotional learning can improve student outcomes and how districts and schools can use it in their equity initiatives to support all students.

American Institutes for Research

The dramatic decline of U.S.-Russia relations is a challenge that will require the next president to expend significant attention and resources. Putin's ongoing intervention in Ukraine and annexation of Crimea have undermined the stability of Europe's postwar order while unsettling the United States' eastern European allies.

The Future of U.S.-Russia Relations | Center for a New

research about Russia is being conducted and published in a range of different outlets, US-based researchers travel frequently to Russia, they often collaborate with Russia-based scholars, and graduate students who specialize in Russia continue to be trained at both MA and PhD levels.

The State of Russian Studies in the United States

Americans' views of Russia have declined in the past year and so have Russians' views of the United States, according to a new Pew Research Center survey. Currently, roughly a quarter or fewer in each country have a favorable view of the other.
