Different Levels of Empowerment In line with most theorists on empowerment the one has to view empowerment as taking place on different levels and that change on all levels is necessary if the empowerment of women is really to occur.

Women Empowerment : A Challenge of 21st Century

Advocacy Stop Raising Awareness Already . Too many organizations concentrate on raising awareness about an issue—such as the danger of eating disorders or loss of natural habitat—without knowing how to translate that awareness into action, by getting people to change their behavior or act on their beliefs.
