The Analytical Greek New Testament is a result of the creativity and energy of Timothy and Barbara Friberg. While a candidate for a Ph.D. degree in linguistics, Mr. Friberg developed, with his wife's indispensable assistance, a computer-stored research database to enable him to prepare a dissertation on the word order of the New Testament.

UCC and we Fribergs finally signed a contract with Baker Book House of Grand Rapids MI to publish our product in three forms. The first was to be the simple text of the Greek New Testament with an interlinear placement of our morphological parsings. This came to be called AGNT, the Analytical Greek New Testament. The second was a concordance of the basic AGNT text, but for this format with tags following Greek words in the line of text.
