The Annals and Antiquities of Rajasthan by Col. James Tod is an extensive work by the British Officer accomplished in the early 19th century. This he started writing at Boheda Haveli in Udaipur. He collected information from Jagas (traditional genealogy keeper for Royal houses in India), folklore and folksongs.

The Annals and Antiquities of Rajast'han : Or the Central

But the leading part which the Rajputs have taken in the Great War, the summoning of one of their princes to a seat at the Imperial Conference, the certainty that as the result of the present cataclysm they will be entitled to a larger share in the administration of India, have contributed to the desire that this classical account of their history and sociology should be presented in a shape adapted to the use of the modern scholar and student of Indian history and antiquities.
