and have network-wide coordination to form a gigantic array, which is called the ubiquitous array (UA) and forms the theme for the paper. A. Prior Work and New Challenges The UA system is equivalent to a distributed antennas system (DAS) with dense antennas and without cells.

1 Communication Using a Large-Scale Array of Ubiquitous

In recognition of the need for continuous and sustained effort in the field of antenna engineering, the WiSE project (Wide Band Sparse Element Array Antennas) was initiated in 2004 to assemble a catalogue of wide-band radiators and explore the functional possibilities of a shared aperture concept.

directing these notes principally to the amateur radio community, I also hope to capture with current modeling software something of the history of amateur radio antennas without having to cite any particular examples. For individuals with acreage and wire, long-wire technology dominated amateur radio antenna thinking.
