API 570 was developed for the petroleum refining and chemical process industries but may be used, where practical, for any piping system. It is intended for use by organizations that maintain or have access to an authorized inspection agency, a repair organization, and technically qualified piping engineers, inspectors, and examiners.

**API 570.pdf | Mail | Fee - Scribd**

API 572 is a well-established document (it is still on its 2001 edition) with its roots in earlier documents published by the American Refining Industry (IRE). It is more a technical guide document rather than a code, as such, but it does perform a useful function in supporting the content of API 510.
