We discern four periods of crematorium architecture in the Netherlands: pre-modern, shake-hands modernist, sub-modernist, and post-modern.

### **(PDF) Designing a place for goodbye: The architecture of**

Dutch architecture has played an important role in the international discourse on architecture in three eras.

The first of these was during the 17th century, when the Dutch empire was at the height of its power. The second was in the first half of the 20th century, during development of modernism.
