question teachers ask about teaching rhetoric is a valid one. The second establishes a working definition and suggests that the writer will rely on classical rhetoric to propose answers to the question. And the third? Perhaps it tells more about the writer than about the subject.

What Do Students Need to Know About Rhetoric?

75 Questions for Rhetorical Analysis One of the very best close reading strategies I teach is questioning using Costa's levels ; however, students sometimes need to build familiarity with what effective questions actually look like.

75 Questions for Rhetorical Analysis – The Rhetor's Toolbox

The answer to a rhetorical question is implied by the way and context in which the question is asked. The question or questions in a hypophora will often be used to set up a long answer, which is point that the speaker wishes to make.

Rhetorical Devices: Hypophora | Manner of Speaking

in the kinds of questions you ask. Types of Questions To develop variety in questioning, you need to know what kind of questions you commonly ask. Research on the questions teachers ask shows that about 60 percent require only recall of facts, 20 percent require students to think, and 20 percent are procedural (Gall, Dunning, and Weathersby, 1971).
