Ancient Greek art stands out among that of other ancient cultures for its development of naturalistic but idealized depictions of the human body, in which largely nude male figures were generally the focus of innovation. The rate of stylistic development between about 750 and 300 BC was remarkable by ancient standards, and in surviving works is best seen in sculpture.

Looted art has been a consequence of looting during war, natural disaster and riot for centuries. Looting of art, archaeology and other cultural property may be an opportunistic criminal act or may be a more organized case of unlawful or unethical pillage by the victor of a conflict. The term "looted art" reflects bias, and whether particular art has been taken legally or illegally is often ...
