Trainspotting is the first novel by Scottish writer Irvine Welsh, first published in 1993. It takes the form of a collection of short stories, written in either Scots, Scottish English or British English, revolving around various residents of Leith, Edinburgh who either use heroin, are friends of the core group of heroin users, or engage

in destructive activities that are implicitly portrayed ...

Like we often do, because great minds think alike, Jen and I decided independently to get standing desks this year. If you've read any of the research, they are calling sitting the new smoking, and saying that even if you exercise regularly you cannot overcome the adverse affects of sitting at your work all day.
