

bank loans secondary market pdf

The secondary market, also called the aftermarket and follow on public offering is the financial market in which previously issued financial instruments such as stock, bonds, options, and futures are bought and sold. Another frequent usage of "secondary market" is to refer to loans which are sold by a mortgage bank to investors such as Fannie Mae and Freddie Mac.

A leveraged loan is a commercial loan provided to a borrower that has a non-investment grade rating, by a group of lenders. It is first structured, arranged, and administered by one or several commercial or investment banks, known as arrangers. It is then sold (or syndicated) to other banks or institutional investors. Leveraged loans can also be referred to as senior secured credits.
