Stefan Behnisch and partners have a current international reputation as one of the most successful  
architectural offices in Germany. Taking up the formal tradition of the "Stuttgart School" with its open,  
transparent and atmospherically convivial buildings, the office's projects are characterised by a  
consistent ecological orientation.

PORTFOLIO presents carefully selected, innovative, national, and international architects along with their ideas and their constructed designs. The collection is not meant to embrace the creator's whole life's work, but it should present the general theoretical orientation of the architecture as well as the characteristic architectural statements, namely style, art of detail, choice of material, etc.

## **Behnisch Architekten (Book, 2008) [WorldCat.org]**

In 2005, after several changes in structure and name, the independent Stadtbüro adopted today's name, Behnisch Architekten. Under Stefan Behnisch's leadership, the firm has developed over the last more than 25 years into a successful international practice with offices in Stuttgart (since 1991), Los Angeles (1999-2011), Boston (since 2006), and Munich (since 2009).
