Religious conversion is the adoption of a set of beliefs identified with one particular religious denomination to the exclusion of others. Thus "religious conversion" would describe the abandoning of adherence to one denomination and affiliating with another. This might be from one to another denomination within the same religion, for example, from Baptist to Catholic Christianity or from Shi ...

Indology or South Asian studies is the academic study of the history and cultures, languages, and literature of India and as such is a subset of Asian studies.. The term Indology or (in German) Indologie is often associated with German scholarship, and is used more commonly in departmental titles in German and continental European universities than in the anglophone academy.
