About "Best Mates (#01 in Best Mates Series)" Big Bart, Tommo, and Pip. Three guys on a three-year adventure. Not exactly the best-known of the twelve disciples, but on the edge of the action - out of the limelight - there is plenty of partying, goofing around, and time to make an idiot of yourself. They're best mates. And Jesus's mates, too.

When You Go Out With Your Best Mates

Use limit mates sparingly because they take longer to solve. Fix mate errors as soon as they occur. Adding mates never fixes earlier mate problems. Drag components into the approximate correct location and orientation before adding mates because this gives the mate solver application a better chance of snapping components into the right location.
