In any organization, we look up to people/human resources ... bargaining. The power ...

### **The Influence of Power and Politics in Organizations (Part 1)**

Trade unions are not merely economic (or "industrial relations"™) actors: they are necessarily protagonists in the political arena. Regulating the labour market is a question of power resources. Yet if unions are inescapably both economic and political actors, the relationship between the two roles is complex and contradictory, and the priority assigned to each varies across countries and ...
