Demography Beyond the Population 24 – 26 March 2015 Cutlers™ Hall, Sheffield, UK ... Discussion and dialogue with many voices is important to the goals of the symposium. ... is to link plant demography to environmental drivers and predict population dynamics in changing environments.

Demography Beyond the Population - British Ecological Society

Demographic factors alone, however, may be less effective in identifying people with a propensity to purchase specific goods and services. Hockey fans in a metropolitan market, for example, may have little correlation to income, neighborhood or age groups.

Beyond demographics: Add lifestyle information to improve

As the fates of individual organisms are influenced by, and subsequently underlie, many other patterns and processes, we suggest that connecting demography beyond the population level offers promising avenues of innovation in ecology and evolution.

Demography beyond the population - Griffith - 2016

component of leadership and competence development/development dialogue. Summing up, there is a lot of stability in the relevance attributed to the same reform elements between 1996 and 2006.

(PDF) NPM and beyond – leadership culture and demography

The six areas explored in this report – poverty and inequalities, demography, environment, shocks, finance and technology – are fundamentally important to whether the world makes progress in the 2030 Agenda period and far beyond.

Challenges and Opportunities in the Implementation of the

The integrated cost-effectiveness approach goes well – beyond demography™ and provides additional information for managers; however, cost-effectiveness needs to be augmented with information on off-target effects and social impacts of management in order to provide greater benefits for on-the-ground management.
