Beyond the PDF is organized by FORCE11, a group of stakeholders that arose organically from the first Beyond the PDF workshop, held at the University of California, San Diego, in 2011, and a follow on workshop held at Dagstuhl that same year. We will actively engage the membership of FORCE11 to shape and evolve this and future workshops, as the conference itself provides a platform for those interested in creating new modes of conference organization and participation.

to look beyond what appears to be common sense to find not simply what truth might be behind it, but how it came to be common sense. It is precisely because gender seems natural, and beliefs about gender seem to be obvious truths, that we need to step back and examine gender from a new perspective.
