The historicity of the Bible is the question of the Bible's "acceptability as a history", in the words of Thomas L. Thompson, a scholar who has written widely on this topic as it relates to the Old Testament. This can be extended to the question of the Christian New Testament as an accurate record of the historical Jesus and the Apostolic Age.. Many fields of study span the Bible and history ...

Part 1 of the Beginning And End Nephilim Series. In our original article on the Nephilim, we detailed the Biblical origin of the half-angelic, half-human hybrid giants, known as Nephilim, who were the product of illicit relations between evil fallen angels and human women in the time before the Flood and Noah's Ark. The flood wiped out the giants but shortly after the flood they returned and ...

Divine law is any law that is understood as deriving from a transcendent source, such as the will of God or gods, in contrast to man-made law. Divine laws are typically regarded as superior to man-made laws, sometimes due to an understanding that their source has resources beyond human knowledge and human reason. They are accorded greater authority, and cannot be changed by human authorities.

Here is an excellent summary of literalism from the recommended website Gotquestions.org: "What is biblical literalism?" Answer: Biblical literalism is the method of interpreting Scripture that holds that, except in places where the text is obviously allegorical, poetic, or figurative, it should be taken literally. Biblical literalism is the position of most evangelicals and Christian ...
