

black empowerment with an pdf

Broad-Based Black Economic Empowerment (BBBEE or B-BBEE as written by the South African government) is a form of economic empowerment initiated by the South African government in response to criticism against narrow-based empowerment instituted in the country during 2003/2004. While narrow-based black economic empowerment led to the enrichment of a few previously disadvantaged individuals ...

TABLE OF CONTENTS - Department of Trade and Industry

The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority. It is the process of becoming stronger and more confident, especially in controlling one's life and claiming one's rights.
