Fools Crow is a 1986 novel written by Native American author James Welch. Set in Montana shortly after the Civil War, this novel tells of White Man's Dog (later known as Fools Crow), a young Blackfeet Indian on the verge of manhood, and his band, known as the Lone Eaters. The invasion of white society threatens to change their traditional way of life, and they must choose to fight or assimilate.

2a) "Urban Indians" What is an urban Indian? Because many Native American people are no longer actively associated with a particular reservation or tribal band â€” they are sometimes referred to as "urban Indians.". This cultural phenomenon is a result of 'well-meaning' government influences like the 19th century Indian school system, and 20th century relocation programs that encouraged Native ...
