A siding, in rail terminology, is a low-speed track section distinct from a running line or through route such as a main line or branch line or spur. It may connect to through track or to other sidings at either end. Sidings often have lighter rails, meant for lower speed or less heavy traffic, and few, if any, signals.

Dead In Different Places is the first single to be released off their debut album, Loud As Laughter, which is due out Spring 2019. According to the band, the process of writing the album was unusual for them. Throughout 2018, San Diego-based Joyner would send files filled with the skeletons of songs to Vieira and Paul in Providence, Rhode Island.
