### **Catholic Intellectuals And The Challenge Of Democracy**

This publication explores the Catholic Church's engagement with technological know-how and expertise within the 20th century through targeting the \$64000 function of 4 renowned Catholic intellectuals representing the various highbrow currents in their iteration.

### **Read e-book online Between Science and Religion: The**

The Catholic intellectual tradition is ultimately inseparable from the deepest insights, convictions and assertions of the Catholic faith and it is in this sense that one must say that without the Church, the Catholic intellectual tradition is not only something relatively trivial, it is ultimately unintelligible.

### **Rethinking the Catholic Intellectual Tradition**

What is needed is a frank recognition that John Stuart Mill's paradigm is of a different spirit from continental liberalism: anti-democratic, anticlerical (in the strong sense of combating Christian tradition and faith), committed to an individualistic view of society, only tactically capable of an appreciation of the Catholic Church's usefulness as a bulwark against socialism.
