civil society and global finance | Download eBook PDF/EPUB

Friesen demonstrates how transnational CSOs and NGOs can influence the context in which international political decisions are made. She shows how, by reframing the issues, the transnational campaign for the cancellation of third world debt altered the dominant discourse, shifted the agenda and thereby shaped political outcomes.

Challenging Global Finance | SpringerLink

This is a hopeful yet also a hard-headed and practical book, one which both scholars and practitioners of global finance and civil society will want to engage with in order to broaden their comprehension of how the world works.'

Challenging Global Finance Civil Society And Transnational

in global finance. Challenging finance The rules and practices governing international finance were highly contested throughout the twentieth century. The failure of the gold standard, the rise and decline of the

Bretton Woods system and the subsequent re-emergence of global finance clearly demonstrate this (Helleiner 1994a).
