Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

The Continental Mark VI is a full-size luxury car that was produced by Ford Motor Company and marketed by its Lincoln division from 1980 to 1983. The fourth generation of the Mark series, the Continental Mark VI was the first ground-up revision of the model line since 1972, and the first generation to undergo downsizing. In another major change, the Mark VI shifted model commonality from the ...
