In many countries, developing and adopting a set of bye-laws (and taking action on the issues stipulated in the bye-laws) is a critical pre-requisite for its official registration with local authorities.

Constituting a Constitution: A sample set of NGO Bye-Laws

A by-law (bye-law, bylaw, byelaw) is a rule or law established by an organization or community to regulate itself, as allowed or provided for by some higher authority. The higher authority, generally a legislature or some other government body, establishes the degree of control that the by-laws may exercise.
