Factors of Child-rearing Practices: A Qualitative Analysis

The author analyzes the nature of child-rearing in eighteenth-century Poland and its linkage to the reform movements that swept the country after the first partition in 1772. She finds that family behavior cannot be separated from politics in Polish society: in fact, education and child-rearing were major issues in the reform movement of the 1770s.

Child Rearing & Child Development Articles | PeterHaiman.com

Child-rearing practices and home environment are significant factors in shaping children's lives. In particular, socioeconomic status (SES) plays an important role in influencing parenting practices and children's development, whereby parents of high SES are able to provide a wider range of experiences, material resources, parental actions, and social interactions that many low SES children ...

Child-rearing Practices and Socio-economic Status

Cartoons on Child Rearing and Kids in School For this month, I have selected cartoons that poke fun at practices parents use to create "good" children"be it traditional or non-traditional. I also include the interactions between teachers and kids in classrooms.
