Coloring and Painting Activity Worksheets for Children

In most drawing and painting or "art" (as it is so often referred to in the school systems) classes, many times teachers leave too much open to the students. They put too much emphasis on what the student is trying to express rather than addressing the fact that they may not even know how to get paint to stick to a canvas.

Learning To See, Draw and Paint - Free Drawing and

It is unlikely that a child will reach the later stages without adult support or instruction. In other words, development in art is not universal and is dependent on the environment in which a child grows up and is educated. The following account suggests that there are four stages of children's artistic develop-
