*****Important. Please Read. - Coinbase**

The common law is so named because it was "common" to all the king's courts across England and originated in the practices of the courts of the English kings in the centuries following the Norman Conquest in 1066. The British Empire spread its legal system to its historical colonies, many of which retain the common law system today. These "common law systems" are legal systems that give great ...

UNITED NATIONS FRAMEWORK CONVENTION ON CLIMATE CHANGE - UNFCCC

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.
