

competency based education and pdf

Competency-based learning or competency-based education and training is an approach to teaching and learning more often used in learning concrete skills than abstract learning. It differs from other non-related approaches in that the unit of learning is extremely fine-grained. Rather than a course or a module, every individual skill or learning outcome (known as a competency) is one single unit.

3 . federal financial aid, the institution must also seek approval from the U.S. Department of Educationâ€” only if the entire program is a direct assessment competency-based program.

Policy Statement - sacscoc.org

Competency-based recruitment is a process of recruitment based on the ability of candidates to produce anecdotes about their professional experience which can be used as evidence that the candidate has a given competency. Candidates demonstrate competencies on the application form, and then in the interview, which in this case is known as a competency-based interview.
