

competition law and trade pdf

Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as "antitrust law" in the United States for historical reasons, and as "anti-monopoly law" in China and Russia. In previous years it has been known as trade practices ...

European competition law is the competition law in use within the European Union. It promotes the maintenance of competition within the European Single Market by regulating anti-competitive conduct by companies to ensure that they do not create cartels and monopolies that would damage the interests of society.. European competition law today derives mostly from articles 101 to 109 of the ...
