The history of feminism comprises the narratives (chronological or thematic) of the movements and ideologies which have aimed at equal rights for women. While feminists around the world have differed in causes, goals, and intentions depending on time, culture, and country, most Western feminist historians assert that all movements that work to obtain women's rights should be considered [by whom ...

History of feminism - Wikipedia

The Law and Society Association, founded in 1964, is a group of scholars from many fields and countries, interested in the place of law in social, political, economic and cultural life. Members bring expertise in law, sociology, political science, psychology, anthropology, economics, and history as well as in other related areas to the study of sociolegal phenomena.
