**conflicted antiquities egyptology egyptomania pdf**
The term "modern Jahiliyyah" was coined by the Indian Islamist writer Abul Ala Maududi, who characterized modernity with its values, lifestyles, and political norms as "the new barbarity" which was incompatible with Islam. Such criticisms of modernity were taken up in the emerging anti-colonialist rhetoric and the term gained currency in the Arab world through translations of Mawdudi's work.

**Jahiliyyah - Wikipedia**
Repatriation is the return of art or cultural heritage, usually referring to ancient or looted art, to their country of origin or former owners (or their heirs).The disputed cultural property items are physical artifacts of a group or society that were taken from another group usually in an act of looting, whether in the context of imperialism, colonialism or war.
