Contemporary Drawing " Artists - OUP

I am currently in Beijing working in lithography and drawing. I am trying to gather together drawing resources and essays on contemporary drawing practices as a resource for myself and fellow artists, since the word "drawing" is often used to only refer to one style of figure drawing done in foundations classes.

What is contemporary drawing? | Edel Assanti Project Space

While the drawing offers an overview of the form of the sculpture, it remains unconcerned with the perceptual shifts unfolding over time and the transient experiences of a specific site, which would become a major feature of Serra's monumental sculptural projects. 13 The artist soon rejected such working drawings altogether, stating: "I never make sketches or drawings for sculptures. I don't work from an a priori concept or image.

Essay | Notations: Contemporary Drawing as Idea and Process

Drawing is at the very forefront of contemporary art practice. The radical shift in the treatment and development of drawing since the 1960s has resulted in a renewed status and relevance for it within current practice, with some of the most exciting artistic ideas of the last fifty years indebted to its use.

9781854379702: Contemporary Drawing: From the 1960s to Now

" Drawing is not a single defined entity that has remained unchanged. It is an activity that is continuously mutable, constantly adapting to new forms, emerging technologies and conceptual attitudes. " In this essay, drawing is considered mainly within a Western art context.
