

contesting community the limits pdf

For those community activists and academics in sociology, social work, urban studies, and related fields who (like me!) are tired of the neo-communitarian rhetoric daily repeating "civil society," "social capital," "asset-building," and "capacity building," Contesting Community is a refreshing and important book which looks at the current state of community organizing in America, Canada, and the United Kingdom from a critical perspective.

Contesting Community: The Limits and Potential of Local

based community development and campaign-based community organizing "a third way"™, if you will, between the two, a perspective that seems to be gaining currency within the literature and ...

Contesting Community: The Limits and Potential of Local

The concept of 'community-driven development' now accompanies a host of fashionable phrases in South Africa's political vernacular. Indeed, a certain notion of community is implicated in many of the new South Africa's principle visions concerning development, nationbuilding and democratization.

AfricaBib | Contesting community: the limits of democratic

Contesting Community addresses one of the vital issues of our day-the role and meaning of community in people's lives and in the larger political economy. It paints a more critical picture of community work which, according to the authors-in both theory and practice-has amounted to less than the sum of its parts.
