Against a background of increasing threats, business continuity management (BCM) has emerged in many industries as a systematic process to counter the effects of crises and interruptions, although its potential to play a more strategic role is still largely under-explored.

Business Continuity Management: time for a strategic role

Autobiographical memory is a memory system consisting of episodes recollected from an individual's life, based on a combination of episodic (personal experiences and specific objects, people and events experienced at particular time and place) and semantic (general knowledge and facts about the world) memory. It is thus a type of explicit memory
